Read the rubrics below and write the essays in an appropriate style, following the corresponding layout and including varied linking words

A. You recently read the following statement in a local newspaper:

“Everybody can do something to help reduce pollution.”

Write a composition, saying whether or not you agree with the statement and making suggestions about how pollution can be reduced. (450-500 words)

B. You have been doing a class project on technology. Your teacher has asked you to write a composition about the following statement:

“Text books should be replaced by I-Pads and online resources.”

You should state whether you agree or disagree with this statement and make suggestions about how online resources can either improve or harm classwork and homework, explaining your reasons clearly. Write your composition (450-500 words)
