CONTENIDO NODAL: Articles on controversial issues and environmental issues

TRIMESTRE: 3ro.

FECHA DE PRESENTACIÓN: febrero de 2014

- Borrow a novel from the school lending library and prepare it for retelling, answering questions and discussing related topics;
- Look up and prepare a magazine article on a controversial environmental issue. The summary and vocabulary must be worked upon and included below the article, as well as the source and date of both retrieval and publication.
Be prepared to answer the following questions:
 - What makes this topic a controversial topic?
 - What is your own position on this issue? Why? Remember to support your views with evidence from research.
